

Y. W. C. A. Secretaries Give Luncheon Honoring Miss Wilde, Of New York

By OLIVE P. LANSSEN.

A delightful affair of Thursday was the luncheon given by Mrs. Millicent A. Warner, president of the Young Women's Christian Association, in honor of Miss Wilde, of New York, who is secretary of the organization. The luncheon was held at the Hotel Sheldon, and was attended by a large number of the members of the association. Miss Wilde, who is a native of New York City, came to El Paso to take up her duties as secretary of the Y. W. C. A. on Monday, February 27. She is a young woman of about 25 years of age, and is a member of the Y. W. C. A. of New York City. She is a very capable and efficient worker, and is sure to be a great asset to the El Paso Y. W. C. A. The luncheon was a very successful one, and was enjoyed by all who attended. The guests were seated at five tables, and the tables were decorated with flowers. The luncheon was served by the Y. W. C. A. staff, and was a very pleasant surprise to all who attended. The guests were very much interested in the work of the Y. W. C. A. in El Paso, and were very much impressed by the efficiency of the staff. The luncheon was a very successful one, and was enjoyed by all who attended. DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to Take Salts and Get Rid of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. It is the most dangerous of human afflictions. It is one of the most painful. Those subject to rheumatism should eat less meat, drink more water, and above all, drink lots of pure water. Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work. Overworked kidneys are sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism. As the first step in the treatment get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ending the kind of these impurities. Jad Salts is a harmless, harmless salt made of pure sodium bicarbonate and lemon juice, combined with lithia and is used with excellent results by thousands of folks who suffer from rheumatism. Here you have a pleasant, effervescent, lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.—ADV.

Yellow Mustard For Rheumatism

A good hot mustard plaster or poultice is pretty sure to overcome most rheumatic pains and swellings. It is a money saver and generally blisters. Heat is absolutely necessary if you want permanent relief. Bevy's Mustard, made of true yellow mustard with pain relieving ingredients added, is just as hot, is cheaper, cleanser and more effective than the old fashioned poultice or plaster and cannot blister. Bevy's rheumatic pain and swelling Bevy's Mustardine is specially effective for lumbago, backache, neuritis, sciatica, rheumatism, chest pain and all aches and pains because heat causes pain—25 and 50 cents at druggists or by mail, C. Wells & Co., LeRoy, N. Y.—ADV.

BEVY'S MUSTARDINE

STOMACH TROUBLES ARE DUE TO ACIDITY. Tells Safe, Certain, Speedy Relief For Acid Indigestion. No-eating stomach troubles, such as indigestion, gas, sourness, stomachache and inability to eat food are in probability nine cases out of ten, simply evidence that excessive secretion of acid is taking place in the stomach, causing the formation of gas and acid indigestion. Gas distends the stomach and causes that full, oppressed, burning feeling, sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excessive development or secretion of acid. To stop or prevent this swelling of the food, and to neutralize the acid and make it bland and harmless, a teaspoonful of Bevy's Mustardine, a good and effective corrective of acid stomach, should be taken in a glass of water after eating or whenever gas, sourness or acidity is felt. This sweetened, lithia water, neutralizes the acidity in a few moments and is a perfectly harmless and inexpensive remedy to use. An antacid, such as sodium bicarbonate, which can be obtained from any druggist in either powder or tablet form, enables one to get rid of the work properly without the aid of artificial digestants. Magnesia comes in several forms, so be certain to ask for and take only Bevy's Mustardine, which is especially prepared for the above purpose.—ADV.
